

# **CLOCS APPROVED PLAN for CLOCS Local Planning Authority**

**Plan ID:** 551  
**Submission Date:** 2018-07-12 14:50:52

## **Which part of your organisation does this Implementation Plan relate to?**

Public Realm (includes Highways, Planning, road Danger reduction, cleansing and Transport)

## **In which capacity will you implement CLOCS**

- Regulator (responsible for setting policies and planning conditions)
- Communicator (encouraging others to become CLOCS Champions)

## **Regulator: Local Planning Authority**

### **What mechanism will you use to require implementation of CLOCS on developments in your local authority area? e.g. Planning consent/Section 106**

All Consents requiring demolition, construction or major refurbishment will be required to provide Logistics Plans as a pre-start condition.

### **What will be the scope for developments required to implement CLOCS (e.g. all developments, all requiring a Section 106 planning obligation, developments over X size or from X date?**

The requirement will be identified either during pre-App discussions or as part of the normal internal consultation on all planning applications.

### **Will you request sites / projects to use the CLOCS Site Compliance Monitoring Team to evidence compliance?**

Compliance with Logistics Plans is being monitored as part of our Considerate Contractor Scheme. We are introducing CLOCS, to encourage all sites to report the level of compliance.

### **Will you have a mechanism to address non-compliance?**

Non-compliance could be dealt with via the usual planning enforcement route. There are various mechanisms with in planning, Considerate contractor scheme and procurement process to enforce compliance. There are incentives to comply also.

## **Communicators**

### **Who will you encourage to adopt the CLOCS Standard e.g. your peers, community, other authorities?**

Other local authorities and developers, send information about CLOCS with acknowledgment of planning applications.

### **How will you communicate**

website

### **What material could CLOCS provide to support your promotional activity**

A simple one page summary of CLOCS

### **What difference do you hope your communication will make**

Raise awareness of CLOCS and the importance we as local authority place on zero harm to the community created through development.

**Any Other Comments?**

Send information about CLOCS with correspondence about planning applications
