- Construction client/developer (responsible for procuring the construction of infrastructure and buildings)
- Communicator (encouraging others to become CLOCS Champions)

Construction client/developer

Approximately how many sites do you have across the UK each year that should implement the CLOCS Standard

Location	Number
London	30
Birmingham	15
Cheshire	5

Your CLOCS implementation target - please indicate the proportion of sites implementing the CLOCS Standard

Current	In 6 months	In 12 months	In 18 months
0%	25%	50%	100%

What proportion of these sites are typically registered with the Considerate Constructors Scheme (CCS)?

80%

In which of the following areas do you find it most difficult to comply with the CLOCS Standard?

Loading/unloading (3.1.4),Traffic routing (3.1.5),Supply chain compliance (3.1.7)

Communicators

Who will you encourage to adopt the CLOCS Standard e.g. your peers, community, other authorities?

Other clients and developers by showing leadership. Entire Supply chain through procurement.

How will you communicate?

Events

Newsletters

Website / Social media

What material could CLOCS provide to support your promotional activity?

Relevant updates and links to relevant articles and alerts.

What difference do you hope your communication will make?

Raise awareness of CLOCS and the leadership role we are taking in making sure our development activities only bring benefits to local communities.

Any Other Comments?
