Signed: _____ Date: _____

Notes

The supplier shall ensure that each of its sub-contractors who operate freight vehicles on contracts on which the CLOCS Standard applies shall comply with the CLOCS requirements as if those subcontractors were a party to the contract.

Where the supplier does not operate its own vehicles, but sub-contracts its freight fleet operations, they shall provide the name of the company and FORS ID(s) of the operators on this form, and request the information required for this form from their sub-contractors.

Full list of FORS accredited companies is available online: www.fors-online.org.uk/memberslist.php
